The testing works will be conducted and their test reports will be issued on the following conditions:

- a) UTB agrees to use reasonable diligence in the manner of performing the tests, inspections or services but no warrants are given and none may be implied directly or indirectly relating to UTB's test results, services or facilities. In no event shall UTB be liable for collateral, special or consequential damage.
- b) The test report of the work will not be considered as UTB Certificate of Quality. The significance of the report will be subject to the adequacy and representative character of the samples(s) and to the comprehensiveness of the tests, examinations or survey requested or made. The test report will be prepared based on the test(s) requested and on the specific items submitted / sampled to UTB for testing. UTB will assume no responsibility for variations in quality or other characteristics of product produced or supplied under conditions over which UTB has no control. UTB's testing will not constitute a recommendation for, or endorsement of the product(s) or material(s) tested.
- c) The test report must not be used in advertisement without the prior written consent of UTB.
- d) The report shall not be reproduced in full unless approval in writing has been given by UTB.
