## PETIKAN TITAH

*Kita jangan lupa, Sambutan Hari Kebangsaan bukan untuk berpesta semata-mata, tetapi untuk mengenang dan memahami akan harga kemerdekaan, bahawa kemerdekaan itu bukan benda yang dibeli tetapi bulat-bulat datangnya daripada Allah Subhanahu Wata'ala.*

*Kemerdekaan, mengenalkan kita kepada banyak perkara, antaranya bagaimana untuk membangun diri dan negara? Misalnya, dari malas kepada rajin, dari lambat kepada cepat dan dari mundur kepada maju. Inilah 'matlamat' utama yang perlu dituju oleh bangsa merdeka.*

*Bangsa yang merdeka, tidak boleh lalai atau lambat bertindak, kerana persekitaran bukan statik, tetapi cepat berubah, dan perubahan itulah namanya 'perkembangan'.*

*Bangsa merdeka, mesti mengikuti perkembangan dan mencipta kemajuan. Kemajuan itu terbahagi dua: Kemajuan fizikal dan kemajuan spiritual. Kemajuan fizikal dicapai dengan teknologi dan tulang empat kerat, sementara kemajuan spiritual pula digarap dengan belajar dan praktikal ibadat.*

Titah Perutusan KDYMM Sempena Sambutan Hari Kebangsaan Negara Brunei Darussalam Ke-37 Bagi Tahun 2021

**W**elcome to the inaugural issue of the UTB Library newsletter **Librarypedia**, a trimonthly online publication of library news and events. We hope to share with all readers happenings around the library and also to create a channel to promote our collections, services and facilities.

Libraries are essential to university life and creates portals to all of the world's knowledge. Librarians make sure that knowledge continues to be recorded and saved for the future, even as information-storage devices and formats change.

So don't forget to drop by at our vibrant Library not only to look at resources but also to enjoy your tea and coffee at our newly opened Baker and Books by Mr. Baker's Bakeshop. I hope you will enjoy reading this first issue and will always continue to support our University Library.
