UTB LIBRARY

ScienceDirect & Scopus
## HOW TO APPLY FOR REMOTE ACCESS (off campus)

NON SOLUS

ELSEVIER

1. First-time applicants need to be on campus and connected to UTB Network

2. Open the web browser then go to "www.sciencedirect.com"

3. **Register** (for first-time users) or **Sign in** before applying for remote access (top-left corner)

4. At the bottom of the page, click "Remote access"

About ScienceDirect ↗   Remote access   Shopping cart ↗   Advertise ↗   Contact and support ↗

Click "Continue" and it will tell you to check your e-mail for verification.

ScienceDirect & Scopus | REMOTE ACCESS (off campus)

6. Open the verification e-mail from Elsevier and click "Get access"
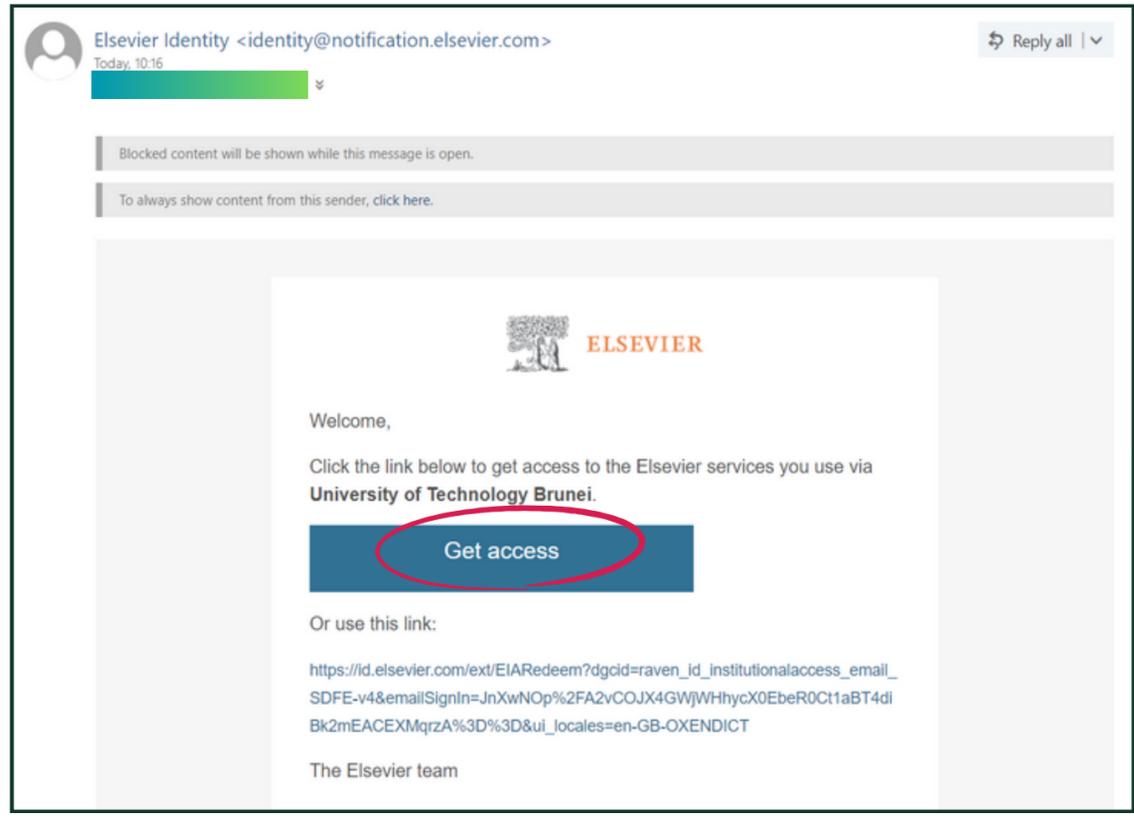

7. Now you can access ScienceDirect & Scopus remotely (off campus) simply by logging in to any of those two websites.
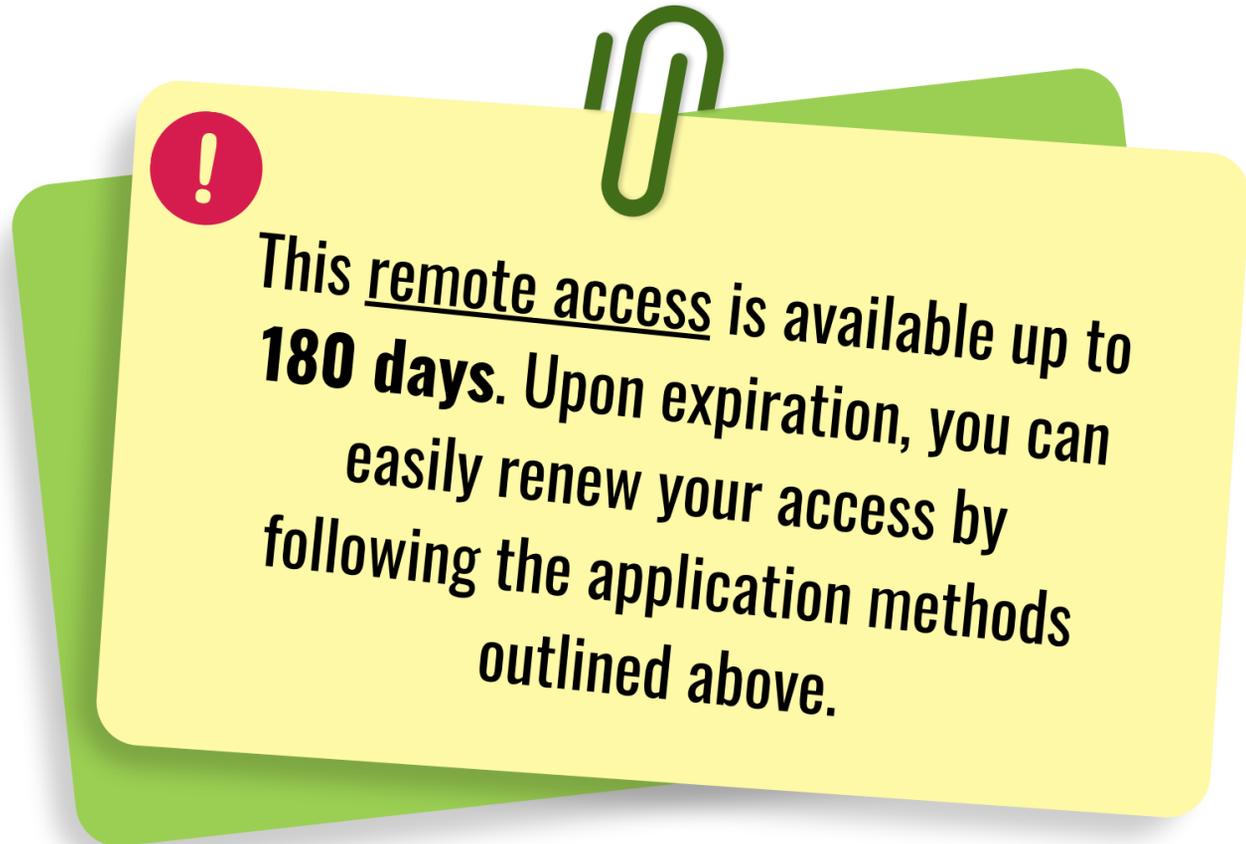

This <u>remote access</u> is available up to **180 days**. Upon expiration, you can easily renew your access by following the application methods outlined above.
