Bismillahirrahmanirahim

Assalamualaikum warahmatullahi wabarakatuh

Alhamdulillah, we meet again in the 3rd issue of UTB Library's Librarypedia. This is also my final foreword as I will be on my retirement on 1st January 2022. A career that has brought me to a wonderful of more than 30 years at UTB Library. I will always cherish the beautiful moments as a Librarian and helped to develop UTB library to where it is now.

For this 3rd issue, I wish everyone a pleasurable reading experience. This is where readers are able to digest many library activities, events and news that are being organised over time. This will also serve as important archival material for the library.

Finally, I would like to convey my heartfelt appreciation and congratulations to the team for this publication. I wish you every success in other subsequent issues and hope Librarypedia will continue to grow in the future.

All the best to UTB Library.

Wassalam.

PETIKAN TITAH

Cabaran bersabit wabak pandemik telah menampilkan golongan belia sebagai sumber tenaga masyarakat dan negara.

Belia, tanpa mengenal letih, mampu untuk menjadi sukarelawan yang berjasa. Inilah belia.

Mereka layak untuk dicontohi dalam perkara menyumbangkan bakti kepada negara. Apabila diperlukan, biasanya mereka cepat-cepat tampil menyahut panggilan. Inilah sifat belia.

Mereka akan tampil dengan semangat juang yang tinggi serta tenaga yang kental dan segar, berbanding golongan-golongan lain. Ini tidak syak lagi, adalah ciri istimewa belia itu.

Beta berharap, ciri ini biarlah kekal untuk mewarnai kehidupan belia, supaya mereka terus unggul, dihargai oleh semua peringkat.

Jangan runtuhkan identiti belia yang baik. Kekalkan identiti ini untuk mendapatkan keyakinan masyarakat terhadap mereka. Ingatlah, keyakinan boleh luntur apabila identiti tidak dipelihara.
